Portfolio and NAV Update

On 24 April 2024, it was announced that KnowBe4 had entered into a definitive agreement to acquire Egress Software Technologies, subject to customary closing conditions and regulatory approvals.

We are pleased to announce that regulatory approvals have now been received and the acquisition has now completed. The sale of Egress returned over 7 times cost.

The impact on the Company's NAV is an uplift of 0.58 pence per share (0.82%) to the 31 March 2024 unaudited NAV (adjusted for the dividend paid on 29 June 2024).

After adjusting for the event above, the effective unaudited NAV of the Company is now 71.22 pence per share. This revised unaudited NAV only reflects an adjustment in respect of the event referred to above and does not reflect a revaluation of the entire portfolio.
