

MONEY LAUNDERING NOTICE

Per the Money Laundering Regulations, an Applicant's identity must be verified before allotting New Shares under the Offers. Verification of identity is a routine step associated with the application process. It ensures that Applicants (i) are who they say they are, (ii) that they have not acquired the application monies illegally, and (iii) that they are not attempting to use the Companies or the Receiving Agent as part of criminal activity.

Please note that the Companies cannot allot New Shares to an Applicant whose identity cannot be verified.

For Applications made via a financial intermediary, the intermediary should complete verification of the Applicant's identity. By signing the Application Form, the financial intermediary confirms that they have verified the identity of the Applicant to the standard required by the Money Laundering Regulations within the guidance for the UK financial sector issued by the Joint Money Laundering Steering Group, and that if the Companies, Manager and/or the Receiving Agent request additional information in connection with that verification or at any time after the Application has been accepted, they will provide it within two Business Days of receiving the request.

For direct Applications, the Receiving Agent will use the Applicant's personal information from the Application Form to verify their identity through Veriphy, a specialist anti-money laundering ("AML") compliance solution provider. Veriphy's AML checks include identity and UK address validation as well as integral mortality, departure, sanction, and politically exposed person searches. **Veriphy's checks have no impact on an Applicant's credit score or their ability to obtain credit.**

In the small number of cases where Veriphy is unable to verify the Applicant's identity sufficiently, the Receiving Agent will need the Applicant to supply evidence of their identity and will contact the Applicant (or their financial intermediary if applicable) to request copies of the relevant documents (typically, an original or certified copy of a passport or driving licence, as well as a recent bank statement or utility bill) and explain how they should be provided. Please note that failure to provide satisfactory evidence following such a request may result in a delay in processing an Application or, at the point of the Offers closing to Applications, the Application being treated as invalid. The Companies will return monies associated with an invalid Application upon satisfactory completion of any associated verification of identity checks.

Note: The Companies and the Receiving Agent may, in their absolute discretion, and regardless of the Application amount and/or the involvement of a financial intermediary, require identity verification.
